## Take your group beyond surviving to driving powerful results

Our custom designed keynote presentations profoundly impact organizations and motivate attendees to become more strategic leaders. Through guided exercises and interactive presentations, we explore the limiting beliefs that can stifle success and offer proven processes for how to create alignment, remain focused on objectives, reduce interruptions, and create work/life balance.

During the presentation, your group will learn how organizations across the globe are transforming their cultures by tapping into core assets – existing technology, intellectual capital, and proven McGhee methodologies. Going beyond anecdotes and illustrations, our presentations provide takeaway strategies that can be immediately applied, producing actual and sustainable results.

For the last 25 years, McGhee consultants have guided senior level executives to achieve individual and team transformations that impacted both their professional and personal lives.

## Our keynote presentations can be customized around your specific needs or can include the following topics:

- Creating a Culture of Productivity
- Controlling Your Inbox
- Accountability and Taking Charge
- Creating and Sustaining Work/Life Balance
- Meeting Effectiveness
- The Power of Vision
