

Keynote Speaker on Organizational Effectiveness

**Captivate, Motivate, and Inspire
Your Attendees**

Peter Felsmann, Speaker & Executive Consultant, has delivered 100s of keynote speeches at corporate events for Fortune 100 companies such as Kimberly Clark, Ericsson, and Microsoft as well as government agencies of several countries. Clients call upon him in thriving times as well as challenging economic times because of the sustained value they receive time and again. Peter offers insights and proven solutions to those looking for a strategic focus or corporate rejuvenation.

A genuine passion comes across in Peter's compassionate and enthusiastic communication style as he shares experiences from clients who have transformed their lives and created alignment, focus, integrity, and accountability in their corporate cultures.

Take your group beyond surviving to driving powerful results

Our custom designed keynote presentations profoundly impact organizations and motivate attendees to become more strategic leaders. Through guided exercises and interactive presentations, we explore the limiting beliefs that can stifle success and offer proven processes for how to create alignment, remain focused on objectives, reduce interruptions, and create work/life balance.

During the presentation, your group will learn how organizations across the globe are transforming their cultures by tapping into core assets – existing technology, intellectual capital, and proven McGhee methodologies. Going beyond anecdotes and illustrations, our presentations provide takeaway strategies that can be immediately applied, producing actual and sustainable results.

Our keynote presentations can be customized around your specific needs and include the following topics:

- Creating a Culture of Productivity
- Align Teams with Objectives
- Controlling Your Inbox
- Work/Life Balance
- Leadership and the Art of Communication
- Accountability and Taking Charge

"Peter is a dynamic facilitator whose wisdom, style, and global experience make him an outstanding leader of transformational processes. He has that rare ability to access both heart and head, and harness their best qualities toward outstanding results...with an ample dose of humor along the way."
